

Question:

Do you really believe that the 4th Angel came down at the time of 9-11 and the final events began, as in Revelation 18:1-4?

Reply:

Yes-- I am fully confident that the 4th angel came down at 9-11 and I base it also on these texts:

Isa 30:25 And there shall be upon every high mountain, and upon every high hill, rivers and streams of waters in the day of the great slaughter, when the towers fall.

That shows the Latter Rain when the towers fall-- I don't think it an accident!!! surely that was a day of great slaughter--it was like **nothing we have ever seen before**!! Innocent people--not even in war time--and yet they were ruthlessly slaughtered with no warning--I can't remember it without tears. The way I see it-- it marked a new height in human wickedness that such a vile and cruel thing could be done!! and so I see it as God beginning to draw the line on planet earth.

Zep 1:16 A day of the trumpet and alarm against the fenced cities, and against the high towers.

See this one also talks of high towers--Those were the highest towers anyone could ever ask for--they would make Babel look like a sand-castle!

Oh sister! We must be earnest in our character preparation--The Lord showed me so many wrong attitudes in me yesterday while my family came for a rare visit-- Oh I am pleading to be cleansed of all the rubbish of ego and attitude and know how to be like Him! Look at this quote--I can't even wrap my mind around it!!

Christ carried out in His life His own divine teachings. His zeal never led Him to become passionate. He manifested consistency without obstinacy, benevolence without weakness, tenderness and sympathy without sentimentalism. He was highly social; yet He possessed a reserved dignity that did not encourage undue familiarity. His temperance never led to bigotry or austerity. He was not conformed to this world; yet He was not indifferent to the wants of the least among men. He was awake to the needs of all.--MS 132, 1902. (Ev 636.)
