

## **Russian Bible Miracle**

Russia used to be a land of Bibles. But in the 1930's Stalin came along. Stalin knew that it is impossible to mentally or socially enslave a Bible Reading people so he ordered all Christians sent to prison camps and all Their Bibles confiscated. Thousands of Christians died in those cold cruel Slave camps. But ironically most of the Bibles were NOT destroyed.

In 1994 missionaries arrived in Stavropol. They had asked to have Bibles Shipped in but they were held up in red tape. Someone told them about a Large warehouse outside of town where confiscated Bibles were still stored.

By some miracle they were granted permission to distribute them. Hiring Several local Russian workers, they began to load the trucks. A young Agnostic was hired to help. Not long after they started he disappeared. He Was found in the corner of the warehouse weeping. He held a Bible in his Hands. He had intended to steal it for himself and somehow he had picked up His own grandmother's Bible off the pile. Her signature was on the front Page. Think of the odds! Of all those thousands of Bibles and he got the Very one that would change his life. Today he is being transformed by the Same Bible that his grandmother was persecuted for.
