

The Story of A Secret Plot:

Now for many of you this subject will be completely new and you will never have heard of the 'Bible Battle' that is raging through much of the world as part of the end time scheme of the devil with his girlfriend Rome to take over all religions and get rid of True Bible Believing Christians by getting them to doubt the very Word of our God and so fall prey to his deceptions. In order to be true Bible Believing Christians you need to have a True Bible to believe in, right?

What was the first trick Satan used on Eve? "Yea, hath God said?" Did God really say it? Did He really mean it? Was He telling the truth? Once he got her to question God's word, and to wonder if it was true or not, he had no trouble to fool her into disobeying God! In these last days Satan is doing the same thing world wide, getting people to doubt, question, and pick apart God's Word and ask "Yea, hath God said?"

What if I told you that most of the Bibles in our world today are corrupted, changed, untrue, and based on a bunch of lies and forgeries that, sadly, most people think are 100% true? Yes, this is information that few know; even highly educated teachers and pastors do not know this, as it has really only fully been exposed in the last couple decades. I think the Lord is trying to warn honest people that they have been tricked. Sadly few want to hear it, they like the lies better. The Bible warns, "But evil men and seducers shall wax worse and worse, deceiving, and being deceived." 2 Timothy 3:13.

As you may have learned from lessons we gathered from Roger Morneau, there are in the world high-level occultists [spirit worshippers] that serve Satan and work to promote his plans for the end times. Many of these people arose to prominence at the same time as God was raising up the Great Advent Movement mid 1700s to 1844. We see then that many 'sciences' arose like hypnotism, evolution, and we see great interest in 'talking to the dead', even by 'men of science', as well as several occult religious and movements, Theosophy, Mormonism, 'Christian Science' and powerful occult societies, who really serve Satan directly in their higher levels.

One of the events that was part of this was the 'discovery' of some so-called ancient 'Bible' manuscripts that were claimed to be the 'oldest and most accurate scriptures' ever found! This plot really got underway in 1844—does that date sound familiar? It should! That was when the great 2300 day prophecy ended, one of the last of the great Time Prophecies. It was when the Angel of Revelation 10, announced that 'that there should be time no longer'. That is, after 1844, there are no more time prophecies. 1844 was when the Advent Movement came to the Great Disappointment. They had thought Jesus was coming back to earth then, but instead, He was beginning the Judgement to decide which would decide who would go to heaven when He returns. Remember in the 1st angel's message 'The Hour of His judgement IS come'.

1844 also saw the precious gift of the Spirit of Prophecy given to true Advent Believers, to act as a guide and help to them as they sorted out the Prophecy messages and our work and message for these last days before Jesus comes! This gift was really needed as Satan had studied prophecy, and he was putting some seriously sneaky plans into action right then too! After young Ellen Harmon [later White] was chosen as a prophet we see several lady false prophets raised up in the occult. Before that, it was men raised as false prophets. None of this is an accident or 'just happened'.

Now when the story of these 'Ancient Bible Manuscripts' came out, it was welcomed and believed by most of the Christian world. Myself, I was taught the story and believed it too. However, I later learned that the Bible we know in English as the Authorized King James Version, put out from reliable scriptures first in 1611, was the true Bible, known as the "Received text" or the scriptures that were passed down, not by Rome, but by the true Sabbath Keeping churches that fled into remote parts of the world when Rome rose to power. When this Bible came out the movement to expose the errors of Rome really came into power!

It would take books to tell all this story, and much is hard to understand if you don't have education in true history. But just in the last few weeks the Lord guided me to some studies put out by a man named David Daniels, who has researched into these 'stories' for decades, that everyone including me, mostly had swallowed as true. He shows they are lies, the 'ancient scriptures' are forgeries and the plot to destroy faith in the true Word of God began in 1844! This man is not an Advent believer but he loves and uses the KJV. Sadly he belongs to a group that believes a lot of the lies of the fallen Sunday churches, but on this subject he sure has valuable information. You can't get this in the official SDA church as they swallowed the lies decades ago! I watched it happen.

D. Daniels shows us a quote by a famous occult leader Manly Hall, in 1944, 100 years after the plot to get rid of the true Bibles started! Here are selections from his article:

"Near the end of World War II, a well-known occultist, named Manly P. Hall, thought there was something wrong with the world. Things had to change. In spring of 1944 he made a startling statement in an occult magazine. He said: "To make things right we will have to undo much that is cherished error. The problem of revising the Bible shows how difficult it is to do this. For the last hundred years we have been trying to get out an edition of the Bible that is reasonably correct; but nobody wants it. [this means it would be correct for Satan's plot] What's wanted is the good old King James version, every jot and tittle of it, because most people are convinced that God dictated the Bible to King James in English." [King James only Authorized this Bible, he did not write it! Some of the finest scholars were chosen to work on it.]

"To make things right we will have to undo much that is cherished error." "For the last hundred years we have been trying to get out an edition of the Bible that is reasonably correct, but nobody wants it."

By "we," it seems that Hall is referring to some very high-up people in the occult and political world. That was the focus of his 1944 article. . . Listen to these quotes from the same article. "In the next ten years we will have to rebuild a world civilization. I hope for some psychologists and even philosophers to be among those appointed to administer this problem." "We are thinking now of a world police force..." "We will first perhaps try to make a great world plan." "We will sit at a council table and figure how to iron out the troubles on the earth." [Who would be leading these 'counsels? Satan!]

Then this quote. "The way of that conditioning would be the one used in Central Europe to condition Nazi Minds. There the circulation of an ideology began in the public schools, began with the small child; which is where we will have to begin, and educate not only our own people but the peoples of the world." "And we will have to have five generations of the consciousness concept of democratic cooperation before we can create a world capable of mental and emotional tolerance."

Let's count the generations after World War II, shall we?. 1946-64 were the Baby Boomers. [me] That's one. 1965-early 80s were Generation X. That's two. Mid-1980s-early 2000s were the Millennials or

Generation Y. That's three. Mid-2000s to now are Generation Z, the fourth generation. So how are we doing?

Pushing mental and emotional tolerance and democratic cooperation through psychology and philosophy, from kindergarten? There's a whole lot of conditioning going on in our world! . . . Guided by whom? Who are their teachers? We are barreling [moving fast] toward a One World Government, by Manly P. Hall's own standards. And we're only in Generation Four [in 2016].

But Hall had a problem with a certain group of people. What's wrong with them? "What's wanted is the good old King James version, every jot and tittle of it..." How did his "we" try to pry the King James out of people's hands? "For the last hundred years we have been trying to get out an edition of the Bible that is reasonably correct."

It is important for us to realize what all this was meaning, what was the problem they want to get rid of? They want to get rid of the idea of Sin! The Idea that God has a Law, that God is the Authority we all must answer to for breaking His law! 'They' want to get rid of the idea that there are things pointed out by God that are wrong to do, wrong to say, wrong ways to even think! They want to get rid of the idea that man is a sinner, and that man needs a Saviour! If there is no such thing as Sin, then who needs a Saviour? They all can do as they please and just keep advancing until they become gods themselves. [because they believe in the 'immortal soul'.] The true Authorized KJV Bible was in their way of being able to convince people of all these errors they want to force on them!

God's True Bible is not 'just another book' It is the Living Word of the Living God, it has real power in it! Remember God created the world by His Word! See Genesis 1.

Occultist Hall wrote these words in what year? 1944. What happened 100 years earlier, in 1844? In 1844, according to text scholar Constantin Tischendorf, he began to acquire Greek vellum pages that ultimately were named, "Codex Sinaiticus." You know, the document behind all modern Bibles and Bible-doubting footnotes, even in the New King James. There are several of these so called 'Ancient manuscripts' that have been and are used to create doubt in the true world of God and to make dozens of different modern Bibles, all claiming to be better than the true Bible carefully preserved and passed down by the persecuted Bible believing Christians. I will just mention the main 2, Sinaiticus, and Vaticanus.

So let's add it up. 1. This occultist, Manly P. Hall, wanted, what? a New World Order.

2. Only two things stopped this new "mental and emotional tolerance:" the thinking of the people and the King James Bible. [The KJV was in the way of the New World Order the devil was leading people into! WHY? Because the true Bible creates FAITH in God! While all the new ones are designed to create doubt! Doubt is the devil's best weapon!]

3. People in general trusted that the King James version, in 1944, was the words of God Himself translated into English. So that's not a new idea.

4. The Codex Sinaiticus, with extra words (and maybe referring to the Epistle of Barnabas and Shepherd of Hermas, that are stuck on at the end of the Sinaiticus?) offered hope, as a new occultic-friendly Bible, "of importance to students of occultism." Those are Halls' words, not mine." [Do we want Bibles that please Satan and his followers? I sure don't! I want the powerful Word of my Living God, I want to

know what He commands me and how I have a Saviour to help me come into obedience to Him so I can be part of His universal family and go home with Jesus when He comes, don't you?]

5. There were two goals. One was to condition people's minds, like the Nazis, over five generations. Those born post-9/11/2001 are Generation Four.

6. Goal Number Two was to pry the people's jot-and-tittle Bible-trusting hands away from the King James Bible. And the Sinaiticus was the Occult world's answer to that problem for them. Are you saying that trusting the Sinaiticus, and the Bibles derived from the Sinaiticus, is a step toward occultic and New World Order thinking? That's what this occultist said, not me. I'm just putting it all together.

So if you trust the King James Bible as God's preserved words in English, guess what? By Hall's standards, YOU are "intolerant" and a hindrance to the One World Government. Each Bible that is made from, or trusts the Sinaiticus, is not "just another Bible." It is the doorway to losing trust in the King James, and being open and tolerant toward the occult New World Order. At least, that's what a top occultist who communed with world leaders said.

One sad thing that happened to Advent Believers was when the official denomination laid aside the KJV and embraced the new corrupt Bibles! In my lifetime, I saw them change from being known as the 'People of the Book', an organization where even a church-school child could prove the doctrines of Adventism against graduate ministers of other churches, to where, now, even the pastors don't know the foundations of Adventism! What led to this? It was a long term plan that started even when the Messenger of the Lord was still alive. We will have to look at that story in another NewQ. But in the meantime, Remember, the Bible says, ". Believe in the LORD your God, so shall ye be established; believe his prophets, so shall ye prosper." 2 Chronicles 20:20.

D Daniels concludes, "You can't hide from this. This is like an elephant in the living room. You can't avoid it. Do you want to be a part of the New World Order? Then don't trust your King James Bible. There must be some pretty spiritual things in the KJV, to get occultists and NWO people so riled up. If for no other reason, that's a huge motivation to get a King James, pray to God for understanding, and put my trust in its holy words. For over 17 years, that's what I've done. And despite all my years of training and study, I have never regretted that decision." [Me either!]

Friends, we have the true message and something that we can be confident in, that it is the real word of a real God! We do not have to listen to all the ones chanting, "Yea, Hath God said?" We can read what He said, and for extra help which is so valuable, we have the writings of God's true Messenger He raised up in 1844, right at the time He saw these occult devil-worshippers starting out in secret on their lying schemes to bring us into doubt and march us into Rome!

When Jesus was tempted with the idea of "Yea Hath God said?" How did Jesus defeat the devil? "But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." Matthew 4:4. When Jesus replied with the scriptures, the devil was defeated! You see why Satan wants to snatch the true Bible from us? "So then faith cometh by hearing, and hearing by the word of God." Romans 10:17. "For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith." 1 John 5:4. Yes, Faith is the victory! The true Bible builds Faith, the corrupt Bibles bring people into doubt! Let's refuse to play the devil's 'Yea Hath God said?' doubting game shall we? God Bless you all!
