

*We Have Also
A More Sure Word
Of
Prophecy....*

(Well Sorta.....In the New International Version)

Will you trust scriptural accuracy to a Version of the Bible that is rampant with these phrases..?

Probably...

Perhaps...

Can also mean...

May have been...

Probably a vision...

Perhaps to indicate...

Apparently...

Some believe,

It is thought to be...

Appears to be...

May have...

This is probably also...

Possibly located about...

Can signify..

Probably representing...

It is more likely...

Probably a reference to...

Refers either to...

Some early Mss. have ...

Some early Mss. do not have...

Not found in the 'two most reliable' Mss.

Would a phone book or a cook book, be of any value if they contained any of these phrases on every page???
