

A Cry To God

**I've cried to God as I've beheld
The world wrapped up in fear
Of lack and death and war that looms
To snatch lives held so dear
I said, "My God! - Have you not heard
The newsmen on TV?!
Do you not know the shape we're in?!
Do you not care for me?!"
"I'm scared, Dear Jesus! - Help us! - Please!
There's news of fear and war
And I'm afraid, Lord - I admit! -
Of what might be in store."**

**"Peace, be still, My child," He said
"And hear now what I say
For I have seen and heard the cries
Of those who, to Me, pray.
"Keep your eyes upon ME now
Not what you hear or see
And, as you do, you'll keep My peace -
IF your mind stays on ME!"
"It matters not what one man says
Or even many more
For I am God, and I decide
Each day what lies in store."**

**"I've told you there would be such times
When, of these things, You'd hear
I told you so you'd be PREPARED
And FULL OF PEACE, not fear."
"For all these things MUST be fulfilled
Yet MY WORD fails not
For I AM still your Hiding Place
As all the fires rage hot."
"You're hid beneath MY shadow now
And you can rest in Me
Yes you can trust My Words of LOVE
To last eternally."**

**"For I'm your Father, Counselor, Friend
Your Alpha and your End
And if this was the world's last day
Be sure, for you, I'd send."
"I've promised I'd save you a place
If you would stay in Me
Stay pure and faithful, eyes on Me
And, victory, you'll see."**

**"I can't tell you if it's 'the end' -
NO human man can know
But I CAN tell you, it IS close,
So be prepared to go."**

**"Each day I give you, reach in love
To save another soul
For snatching them from Me for Hell
Is truly Satan's goal."**

**"Occupy until I come
Live each day FULL in ME
Just keep your eyes upon MY face
And know that I DO see."**

**"I see the world, I see YOUR LIFE
And I DO care for YOU
And know, no matter WHAT occurs
My love for you stands TRUE."**

"I'm Alpha and Omega - God -

**I'm King and Lord of ALL
I'll be right near to care for you
As, on My name, you call."
"For I can change the hearts of Kings
And I, their hearts, do try
And I'M the one who formed this world
And says when it shall die."**

**"So, USE this time to SEEK THE LOST
And tell them of My Love
That they, too, may be saved and live
With Me, again, above."**

**"Don't listen to fear's voice - hear MINE!
Then STAND on what you've heard
Don't fear yours or the world's fate -
It's destined by MY WORD."**

**"Keep your eyes on ME, My Child,
And let Me wipe each tear
For I am God and IN CONTROL -
So live in peace, not fear."**
