

Advent Movement Foundations Under Attack

Freedom is Falling: It was not Sunday keeping that made America great--it was the Constitution, freedom of conscience! Now she is ready to throw it away! The World is Wondering! The Papacy has been trying to destroy the American Constitution ever since it was written and signed! Now she has it in her fist! This is a recipe to return to the slavery of the dark ages.

When they talk about individual rights being sacrificed for "The Greater Good" stop and consider WHO exactly is the 'Greater' that will will receive this 'good' while the individual is brought into slavery? It is a huge system of greedy bureaucrats led by the Papal power, who has always claimed it is her unalienable right to dictate to the consciences of the world--how much are they going to care about you? Not at all really.

Our Precious Foundations: Most church members and even most ministers and teachers are totally uniformed of the actual foundation and source of truth given to the Advent Movement esp. in the years 1840-1844! We need to take time and prayerfully study the original documents, attested to by the Holy Spirit, for yourself. We cannot afford to be ignorant! Tyrants thrive on ignorance.

"Said my accompanying angel, "Woe to him who shall move a block or stir a pin of these messages. The true understanding of these messages is of vital importance. The destiny of souls hangs upon the manner in which they are received." Early Writings, pp. 258, 259. (1858.)

"The warning has come: Nothing is to be allowed to come in that will disturb the foundation of the faith upon which we have been building ever since the message came in 1842, 1843, and 1844. I was in this message, and ever since I have been standing before the world, true to the light that God has given us. We do not propose to take our feet off the platform on which they were placed as day by day we sought the Lord with earnest prayer, seeking for light. Do you think that I could give up the light that God has given me? It is to be as the Rock of Ages. It has been guiding me ever since it was given. Brethren and sisters, God lives and reigns and works today. His hand is on the wheel, and in His providence He is turning the wheel in accordance with His own will. Let not men fasten themselves to documents, saying what they will do and what they will not do. Let them fasten themselves to the Lord God of heaven. Then the light of heaven will shine into the soul-temple, and we shall see the salvation of God." General Conference Bulletin, April 6, 1903.

The Prophetic Valley of the Shadow

At one point in Pilgrim's Progress, Christian had to pass through the 'Valley of the Shadow', where he was surrounded by illusions and falsehoods, as well as traps and snares. Voices and apparitions surrounded him and he could not know what was real and what was not! He finally resorted to 'All Prayer' that is, he prayed continually, and God brought him safely through.

We live in a time when lies and snares abound on every side. We each need 'All Prayer' in our lives like never before! False Prophetic interpretations are knee deep around us, even in Adventism, perhaps especially in Adventism! False History is also being poured upon the world with the intention of hiding certain facts from people that took place in the past and giving a rosy tinted picture of what the Bible describes clearly as a savage and cruel power.

So how, amongst thousands of false interpretations, can we discern and know for sure, what is indeed the real, true and accurate meaning of Bible Prophecy? Is it just as many claim; "It doesn't matter—my views are as good as yours, and we can't really know anyway?"

Definitely not! Our God is not a God of confusion and He would not send His people into the final conflict without a clear and accurate road-map. What is the secret of accuracy? *The Bible [and the Spirit of Prophecy] must be allowed to interpret itself!* We also must not stretch and twist the inspired word to try and fit it to our own ideas, or interpret prophecy from the news reports. There are definite principles of interpretation that must be followed and when this is done, the understanding of the Message for our time can be viewed with reasonable accuracy, although we must not be so entrenched on prophecy still to be fulfilled that we fail to recognize it as did the Jewish Leaders.

We need to carefully follow the Biblical rules of interpretation which can be relied upon, and cherish no 'private interpretations'. Also be open to listen, if anyone does bring clearer light from Bible or Spirit of Prophecy!

"The tremendous issues of eternity demand of us
Something besides an imaginary religion of words and forms,
So blow, blow the trumpet
Call a solemn assembly
Gather My people, sanctify them
Turn ye even to God with all your heart
With fasting and weeping and rend your hearts and not your garments
For God calls for a revival and reformation
Based on God's Word and God's Word alone."
From Prophets and Kings 626.
